URGE CHANGE IN ACT.

The Commissioners Think Fireproo Buildings Should Be Excepted.

With several amendments, the Comnissioners yesterday forwarded to the Senate Disctrict Committee the bill to amend the act relating to fire escapes. When they recommended the passage urged that fireproof buildings be excepted from its provisions. The law now requires fire escapes on fireproof buildings. It is proposed to amend the present law so as to except buildings defined as fireproof nder the building regulations.
